Sir:

PETITION UNDER 37 C.F.R. §1.8(b)
TO WITHDRAW HOLDING OF ABANDONMENT

This is a Petition under 37 C.F.R. §1.8(b) to withdraw the holding of abandonment set forth in the Notice of Abandonment issued September 27, 2002 in connection with the above-identified application. The September 27, 2002 Notice states that the subject application was abandoned for applicant's alleged failure to timely or properly reply to the Notice to File Missing Parts mailed on November 14, 2000. A copy of the September 27, 2002 Notice, which alleges that no reply was received by the Patent Office, is attached as Exhibit A.

Pursuant to instructions provided during a November 27, 2002 telephone conference between the undersigned attorney, Alan J. Morrison, Esq., and Ms. Doshie Day of the Office of Initial Patent Examination, applicant is submitting this Petition under 37 C.F.R. §1.8(b) by facsimile to the attention of Ms. Day. The undersigned attorney understands that, upon receipt of and satisfaction with this Petition, Ms. Day will withdraw the

Serial No.: 09/664,185
filed: September 18, 2000

holding of abandonment.

A petition under 37 C.F.R. §1.8(b) requires that applicant: (1) inform the Office of the previous mailing or transmission of the correspondence promptly after becoming aware that the Office has no evidence of receipt of the correspondence; (2) supply an additional copy of the previously mailed or transmitted correspondence and certificate; and (3) include a statement which attests, on a personal knowledge basis or to the satisfaction of the Commissioner, to the previous timely mailing or transmission.

Pursuant to 37 C.F.R. §1.8(b)(1), this Petition is being filed promptly after applicant's undersigned attorney became aware that the Patent Office indicated it did not receive a reply to the Notice to File Missing Parts.

The Notice to File Missing Parts, issued in the subject application on November 14, 2000, required applicant to submit a signed Declaration and Power of Attorney by January 14, 2001, which deadline was extendible under 37 C.F.R. §1.136(a). A copy of the November 14, 2000 Notice to File Missing Parts is attached as **Exhibit B**.

In response to the November 14, 2000 Notice to File Missing Parts, applicant submitted to the U.S. Patent and Trademark Office a Communication In Response To November 14, 2000, Notice To File Missing Parts Of Application Filing Date Granted And Petition For A Three-Month Extension Of Time ("Communication") on April 13, 2001. Applicant included with the Communication (a) payment of the four hundred and forty-five dollars (\$445.00) required for a three-month extension, and (b) a signed Declaration and Power of Attorney. With the three-month

extension, a response to the Notice to File Missing Parts was due April 14, 2001. Therefore, the April 13, 2001 Communication was timely filed.

In support of this Petition, and pursuant to 37 C.F.R. §1.8(b)(2), applicant attaches hereto as Exhibit C a copy of the April 13, 2001 Communication, including the signed Declaration and Power of Attorney and certificate of mailing dated April 13, 2001. Applicant also attaches hereto as Exhibit D a copy of the front and back sides of the check in the amount of \$510.00 submitted with the Communication, which amount includes the \$455.00 fee for the requested three-month extension of time and a \$65.00 surcharge. The back side of the check indicates that the check was cashed by the Patent Office on April 18, 2001. Applicant attaches hereto as Exhibit E a copy of the postcard which accompanied the April 13, 2001 Communication and was returned to applicant's undersigned attorney by the Patent Office. The postcard indicates receipt of the Communication by the Patent Office on April 16, 2001, as evidenced by the Patent Office's stamp bearing that date. Furthermore, applicant attaches hereto as Exhibit F a copy of the internal docketing records for the subject application from the undersigned attorney's law firm. The highlighted portion confirms that according to the law firm's internal docketing records, the required response to the November 14, 2000 Notice to File Missing Parts was timely filed on April 13, 2001. Finally, pursuant to 37 C.F.R. §1.0(b)(3), applicant attaches hereto as Exhibit G a declaration of John P. White relating to the timely filing of the April 13, 2001 Communication.

It is noted that, as discussed between Ms. Day and the undersigned attorney, the Declaration submitted with the

Applicant: Ilya Trakht
Serial No.: 09/664,485
Filed: September 19, 2000
Page 4

Communication incorrectly identifies the subject application as having U.S. Serial No. 09/040,933 instead of U.S. Serial No. 09/664,485. However, Ms. Day stated that it is not necessary at this stage to include with this Petition a corrected signed Declaration and Power of Attorney identifying the subject application as U.S. Serial No. 09/664,485, and that such matter could be addressed at a later time. Accordingly, applicant has not included a corrected Declaration with this Petition.

In view of the evidence submitted herewith, it is clear that applicant filed a timely response to the November 14, 2000 Notice to File Missing Parts, and that the response was received by the Patent Office. Applicant notes that the requirements of 37 C.F.R. §1.8(b) have been met, and therefore respectfully requests that the holding of abandonment set forth in the September 27, 2002 Notice of Abandonment be withdrawn, and the subject application proceed to examination.

If a telephone interview would be of assistance in advancing prosecution of the subject application, applicant's undersigned attorney invites the Examiner to telephone at the number provided below.
